Folks

Following advice from our Financial Accounting Branch (see below) regarding charging for abandonments we have revised the charging of VAT.

VAT will now be recouped on the advertising costs but will not be charged for the admin fee.

The code to use is: 141-37553-84540-008130-000000-000000-000000.

Please see revised form attached.

Can you advise if you feel there is anything in the RSPPG which needs updating or changed and advise me by 30th October 2015?

**Advice from [REDACTED] (Financial Accounting Branch)**

I've looked into this and I think we should not be charging VAT on the admin fee as it is a statutory function.

We should be charging VAT on the advertising costs as these are costs of the Department. The Department is not paying them on behalf of the customer. The Department will be reclaiming the input VAT on these so it will be the net amount before VAT that you show on the top part of your invoice with VAT added on in the VAT section. i.e if we
