Subject: Water Quality Exceedance Advisory Email

[REDACTED]

As discussed with you earlier today.

Consent Number 068/12/2
File Reference TC 40/12_2

A water quality sample was taken at your premises on 20 January 2017. The analytical result for Zinc was found to be in exceedance of the Departments consent limit.

Zinc consent limit = **33.8ug/l**
Zinc water quality result= **45ug/l**

I would be grateful if you could please look into this matter.

Please contact me if you require any further assistance.

Best Regards
