Planning Application Accompanied by an Environmental Statement

The Planning (Environmental Impact Assessment) Regulations (Northern Ireland) 2015 (Regulation 20)

(Publicity of Further Environmental Information and Other Information) and

The Planning (General Development Procedure) Order (Northern Ireland) 2015 (Article 8) (Amendments to Planning Application)

Council Area: Fermanagh and Omagh District Council
Derry City and Strabane District Council

Application No: LA10/2017/1249/F

Description: Underground valuable minerals mining and exploration including new portal (tunnel entrance), decline (ramp), paste backfill plant, crusher and ore sorter, secure explosives store, fuelling and small service maintenance facilities, refuge stations and ancillary infrastructure, mine workings and paste backfill and waste rock placed in the workings

Two additional ventilation raises (main ventilation fans located underground) and retention of the existing ventilation raise

Associated surface level development including:

- processing plant (covered coarse ore stockpile and process plant building)
- laboratory building
- dry stack facility (also called the mine waste storage facility)
- administrative and mine dry building
- mine rescue building
- warehouse building
- maintenance workshop building
- fuel and lube station
- main substation (electrical room), substation (electrical room) and electrical rooms
- electricity transformers
- vehicle and cycling parking
- internal roads and circulation space
- retention of existing explosive store (on a temporary basis)
- water treatment plant
- 4 x water storage ponds
- sewage treatment plant (below surface)
- surface water diversion berms
- water management ditches and distribution channels
- new site access from Crockanboy Road (approximately 22m to the east of Irish grid reference 258003,383422)
- landscaping
- perimeter fencing
- laydown areas
- 5m high rock berms
- lighting
- temporary and permanent peat and spoil storage areas

Demolition (when required) of existing cottage and associated buildings at 80 Mullydoo Road, Greencastle, BT79 7QP.

A new road located to the south and east of the proposed dry stack facility/ mine waste storage facility. Retention of the existing portal, tunnel and surface development on lands off Camcosy Road (approved under planning permissions K/2014/0246/F, K/2013/0072/F and K/2014/0387/F), with consequential amendments to planning conditions on the duration of this development and its restoration. Upgrade of water treatment facilities at this existing site to serve the mine. This existing infrastructure to be used as secondary mine access.

Road improvements, as required, along the extent of the Camcosy Road between lands approximately 165 metres west of no. 45 Camcosy Road and no. 2 Camcosy Road (turning point west of Rouskey). Temporary use (24 months) of an existing hard standing area off Lenagh Road agricultural yard as a turning point for heavy goods vehicles.

Landscaping and habitat mitigation, enhancement and compensation works including the erection of a bat house.

Mine closure and associated phased landscape restoration

Other ancillary works

Location: Lands north west of Greencastle and east of Rouskey; north of the Crockanboy Road mainly west of Mullydoo Road north and south of Camcosy Road including lands approximately 165 metres west of no. 45 Camcosy Road to the junction of Camcosy Road and Crockanboy Road and lands 47m to the south east of 73 Crockanboy Road off the Lenagh Road (in the townlands of Crockanboy, Teebane West, Casorna, Rouskey, Attagh, Carraghinalt, Altcamcosy, Alwories Monanameal, Drumlea, Fallagh Lower and Glenmaccoffer.

Following a Departmental request, Further Environmental Information (FEI) has been submitted relating to the above application.

The FEI has been provided as a second Addendum to the Environmental Statement (ES). This Addendum considers the amendments to the minerals project subsequent to both the original 2017 planning application submission and 2019 FEI submission.

In addition to the FEI, a number of the supporting documents to the application have also been updated together with revised and new drawings.

A copy of the ES, both Addendums, revised/new documentation and drawings may be viewed at:

• County Hall, Drumragh Avenue, Omagh BT79 7AF. Contact Business Support Unit on 028 822 54137 or DfIRoads.Western@infrastructure-ni.gov.uk to make an appointment. A maximum of two people will be allowed at any one time.

All of the above information may also be viewed at the Planning NI Web Portal via Public Access <http://epicpublic.planningni.gov.uk/publicaccess/>, using the application reference number LA10/2017/1249/F. Hard copies of the second Addendum can be purchased from Dalradian Gold Limited or Turley for a charge of £600. A free copy of the second Addendum is available on CD and copies of the second Addendum Non-Technical Summary are available free of charge. All documents can be obtained by writing to:

- Turley, Hamilton House, 3 Joy Street, Belfast, BT2 8LE
- Dalradian Gold Limited, 3 Killybrack Road, Omagh, BT79 7DG

In view of the volume of correspondence received to-date by the Department, in relation to the above application, it has not been possible to re-notify all those individuals who have submitted letters of representation. Those who have written to the Department are asked to regard this advertisement as confirmation of notification of the FEI and revised/new documentation in relation to the planning application.

Written representations in relation to this planning application should be forwarded by post or email to planning@infrastructure-ni.gov.uk or to the Strategic Planning Directorate, First Floor, Clarence Court, 10-18 Adelaide Street, Belfast, BT2 8GB or 71 Ebrington Square, Derry-Londonderry, BT47 6FA, not later than 4 weeks from the date of this advertisement.

Due to the Coronavirus (Covid-19) pandemic, the DfI Planning offices at 71 Ebrington Square, Derry-Londonderry, BT47 6FA and Clarence Court, 10-18 Adelaide Street, Belfast, BT2 8GB are closed to the public. All appointments to view DfI planning application files have therefore been suspended. The main application documents, including plans and supporting information, are available to view online on the NI Planning Portal website – Public Access. <http://epicpublic.planningni.gov.uk/publicaccess/>. If you are unable to access the Planning Portal please contact us by email at planning@infrastructure-ni.gov.uk or by telephoning 0300200 7830 and we will assist you.

Please quote the application reference number in all correspondence.

Application Accompanied by an Environmental Statement

Planning Act (Northern Ireland) 2011 (Section 41)
The Planning (General Development Procedure) Order (Northern Ireland) 2015 (Section 8)

Traffic Calming Scheme Ecclesville Road, Fintona

Notice is hereby given that under Article 65 of the Roads (NI) Order 1993, the Department proposes to introduce flat top road humps and other traffic calming works at Ecclesville Road, Fintona.

The road humps will be constructed in accordance with the Road Humps Regulations (NI) 1999, other features will be constructed in accordance with the Traffic Calming Regulations (Northern Ireland) 1995.

The scheme will consist of one triple set of speed cushions approximately 3.1 metres long, 1.9 metres wide and 75mm high at the following location:

1. Ecclesville Road – approximately 8m west of street light number 247 and approximately 18m east of its junction with Patterson Park.

Objections or other representations may be made in writing to the Department for Infrastructure, Roads, County Hall, Drumragh Avenue, Omagh, BT79 7AF, within a period of 31 days from the publication of this notice. A map showing the road humps and other traffic calming works may be inspected free of charge during office hours at the above mentioned office by appointment only, email TrafficWestern@infrastructure-ni.gov.uk to arrange.

Greencastle, Omagh

Notice is hereby given that under Article 65 of the Roads (NI) Order 1993, the Department proposes to introduce flat top road humps and other traffic calming works at Greencastle, Omagh.

The road humps will be constructed in accordance with the Road Humps Regulations (NI) 1999, other features will be constructed in accordance with the Traffic Calming Regulations (Northern Ireland) 1995.

The scheme will consist of one pair of speed cushions approximately 3.1 metres long, 1.9 metres wide and 75mm high or tapered edge road humps at the following locations:

1. Greencastle Road – adjacent to street light number 123, south of the entrance to Sheskinshule View.

2. Greencastle Road – approximately 10m south west of street light number 130 and north east of junction with Maryville Park.

3. Greencastle Road – adjacent to street light number 135.

4. Greencastle Road – approximately 35m north east of street light number 147 and approximately 75m north east of the junction with Crockanboy Road.

5. Crockanboy Road – adjacent to street light number 145 and west of Our Lady of Lourdes Primary school.

6. Crockanboy Road – adjacent to street light number 142 and adjacent to eastern boundary of Our Lady of Lourdes Primary school.

7. Crockanboy Road – adjacent to street light number 140 and approximately 50m west of the junction with Greencastle Road.

8. Crockanboy Road – adjacent to street light number 149 and approximately 35m south east of house number 286.

9. Sheskinshule View – approximately 8m west of street light number 2 and directly north of boundary between house number 1 and 3.

10. Maryville Park – One tapered edge road hump approximately 6.4 metres long, 3.0 metres wide and 75mm high adjacent to street light number 4 and house numbers 12 and 13.

11. Maryville Park – One tapered edge road hump approximately 4.3 metres long, 3.0 metres wide and 75mm high adjacent to build out in front of house numbers 43 and 44.

Objections or other representations may be made in writing to the Department for Infrastructure, Roads, County Hall, Drumragh Avenue, Omagh, BT79 7AF, within a period of 31 days from the publication of this notice. A map showing the road humps and other traffic calming works may be inspected free of charge during office hours at the above mentioned office by appointment only, email TrafficWestern@infrastructure-ni.gov.uk to arrange.

Coolnagard Road, Omagh

Notice is hereby given that under Article 65 of the Roads (NI) Order 1993, the Department proposes to introduce flat top road humps and other traffic calming works at Coolnagard Road, Omagh.

The road humps will be constructed in accordance with the Road Humps Regulations (NI) 1999, other features will be constructed in accordance with the Traffic Calming Regulations (Northern Ireland) 1995.

The scheme will consist of speed cushions approximately 3.1 metres long, 1.9 metres wide and 75mm high at the following locations:

1. One triple set of speed cushions – adjacent to street light number 2.

2. One pair of speed cushions – approximately 5m east of street light number 5.

3. One pair of speed cushions – approximately 10m east of street light number 9.

4. One pair of speed cushions – approximately 5m south west of street light number 11.

Objections or other representations may be made in writing to the Department for Infrastructure, Roads, County Hall, Drumragh Avenue, Omagh, BT79 7AF, within a period of 31 days from the publication of this notice. A map showing the road humps and other traffic calming works may be inspected free of charge during office hours at the above mentioned office by appointment only, email TrafficWestern@infrastructure-ni.gov.uk to arrange.
