Ref;TrC 40/12 - Stage 5 - Consultation

The nature and location of the proposed discharge is noted. The Loughs Agency is the lead body for provision of advice regarding impacts to salmonid and inland fisheries within the watersheds of Lough Foyle and Carlingford Lough. Consequently, said agency should be consulted in relation to this application. DCAL will continue to provide fisheries advice for those areas outside of the catchments of Foyle and Carlingford Loughs.

Faithfully,

[REDACTED]
Fisheries Operations and Technical Support DCAL

Dear [REDACTED],

WATER (NORTHERN IRELAND) ORDER 1999
DRAFT CONSENT CONDITIONS

I should be grateful if you would let me have your comments on the attached draft consent conditions. I am also enclosing, for your information, a copy of the related application form and site plan.

Please provide your comments within 3 weeks of the date of this letter. If we do not receive a response by this date we will assume a nil return.

Many thanks

[REDACTED]
Water Management Unit
